Thank you for contacting us. Please note that in this instance Bandwidth is electing to waive our fee and for which we are responding just via email and that Bandwidth reserves the right to formally object to the subpoena at a later time.

In response to your request for subscriber information for the telephone number(s) indicated below, and to the extent requested any time period specified; the number(s) are/were on the Bandwidth network provided to a wholesale customer(s) of record who in turn may have assigned the number(s) to an end user of their services.

Therefore, for the number(s) you indicated, for any and all end user information you will need to serve a subpoena/court order/search warrant using the information provided below.

Please Note: For any and all subscriber information/records requested,

including exigent matters and preservation requests, please contact the below customer of record directly – Bandwidth does not serve the end user of the target number; therefore, Bandwidth does not have any end user records to provide or preserve related to your request.

508-202-1270 – Customer of record for the dates requested

From: 2015-01-01

To: 2015-01-19

In response to your request for subscriber information for the telephone number(s) and date range indicated immediately above ONLY, although the telephone number(s) is/was assigned to the Bandwidth network, *the number(s) is/was not assigned to an end user or subscriber for the time period specified*; therefore, Bandwidth has no records to provide.

508-202-1270 – Customer of record for the dates requested

From: 2015-01-19

To: 2017-12-31
